Something Old, Something New

Create your timeless event in a classic setting
at the Minnesota Renaissance Festival

Imagine an era where love is considered the highest ideal, worshipped in words and song. Celebrate this ideal by stepping back in time to a magnificent stage, in a picturesque 16th century English Village where you are about to be wed as friends and family look on. Everything resonates with life and beauty; exactly what you always envisioned.

After the romantic ceremony, come together with loved ones to celebrate a new life together with a feast designed for royalty. Guests thoroughly enjoy the dinner entertainment, a harp playing harmoniously in the background.

Mid-America Festivals, producers of the Minnesota Renaissance Festival, have been creating timeless weddings like this for over 35 years. Whether you choose to have a traditional or Renaissance-style wedding, we are happy to work with you, giving special attention to every detail. Our goal is to create a momentous celebration that will become a beautiful memory.
